Commemorative Tree Dedication Program

The New London Parks Conservancy, working with the City of New London, is offering a tree donation program to our community. The purchase of trees will be a way for you to remember a particular person or a special occasion.

The trees will be selected by design landscape architects who will take into consideration various environmental considerations in their selection. The trees will be planted in a park in New London at the discretion of the New London Parks Conservancy. The cost of each tree with a commemorative plaque is: \$ 500.

Return the adjoining form completed and please be sure to enclose a check for the correct amount made payable to the 'New London Parks Conservancy'. Your gift is tax deductible. If desired, you will receive an acknowledgement card suitable for gift presentations.

For more information, please contact the NLPC Tree Program co-chairs:
Naomi Paulson: 443-4677 or Margaret Cotnoir: 447-1983
